

CHANGE NOTICE:
Logo, Certificate and Use of Marks
Guidelines Update as of August 3, 2020

Dear PRI Clients and Auditors,

Any clients still using the old PRI Registrar Marks of Conformity (pictured below) must update to our new Marks of Conformity by **January 1, 2022**.

Old Marks of Conformity:

It has been brought to our attention that Marks of Conformity must include the revision level when referring to certification. If you had already adopted our new Marks of Conformity, **you will need to update to the revised version prior to your next audit event**. The updated versions of our Marks can be found in the revised [Media Kits](#). In addition, the [Logo, Certificate and Use of Marks Guidelines](#) have been updated to include these new Marks of Conformity. We thank you for your patience and cooperation.
